PENNSYLVANIA
MUSEUM OF ART

Gift of
H. Norris Harrison
John Harrison.

An Italian
Book of Psalms.

Written about
1450. Bought
in Florence. —

May 4. 1899. —
By

Charles G. Leland.

Purchased from an
itinerant dealer
with a hand. cart,
in the Via Porta
Rossa. The book

of the book as it
was in tatters, was
restored by me.

C. G. Leland.

A photograph of a manuscript page featuring musical notation. The notation is composed of black square neumes, some of which are grouped together, placed on four-line red staves. The paper is aged and shows signs of wear, including staining and discoloration. The notation is arranged in a single line across the page.

saluus e nt alleluia

A musical score on a five-line staff. The notes are represented by black rectangular blocks. The first measure contains several notes, some with stems. The second measure has a single note. The third measure has a single note. The fourth measure has a single note. The fifth measure has a single note. The sixth measure has a single note. The seventh measure has a single note. The eighth measure has a single note. The ninth measure has a single note. The tenth measure has a single note. The eleventh measure has a single note. The twelfth measure has a single note. The thirteenth measure has a single note. The fourteenth measure has a single note. The fifteenth measure has a single note. The sixteenth measure has a single note. The seventeenth measure has a single note. The eighteenth measure has a single note. The nineteenth measure has a single note. The twentieth measure has a single note. The twenty-first measure has a single note. The twenty-second measure has a single note. The twenty-third measure has a single note. The twenty-fourth measure has a single note. The twenty-fifth measure has a single note. The twenty-sixth measure has a single note. The twenty-seventh measure has a single note. The twenty-eighth measure has a single note. The twenty-ninth measure has a single note. The thirtieth measure has a single note. The thirty-first measure has a single note. The thirty-second measure has a single note. The thirty-third measure has a single note. The thirty-fourth measure has a single note. The thirty-fifth measure has a single note. The thirty-sixth measure has a single note. The thirty-seventh measure has a single note. The thirty-eighth measure has a single note. The thirty-ninth measure has a single note. The fortieth measure has a single note. The forty-first measure has a single note. The forty-second measure has a single note. The forty-third measure has a single note. The forty-fourth measure has a single note. The forty-fifth measure has a single note. The forty-sixth measure has a single note. The forty-seventh measure has a single note. The forty-eighth measure has a single note. The forty-ninth measure has a single note. The fiftieth measure has a single note. The fifty-first measure has a single note. The fifty-second measure has a single note. The fifty-third measure has a single note. The fifty-fourth measure has a single note. The fifty-fifth measure has a single note. The fifty-sixth measure has a single note. The fifty-seventh measure has a single note. The fifty-eighth measure has a single note. The fifty-ninth measure has a single note. The sixtieth measure has a single note. The sixty-first measure has a single note. The sixty-second measure has a single note. The sixty-third measure has a single note. The sixty-fourth measure has a single note. The sixty-fifth measure has a single note. The sixty-sixth measure has a single note. The sixty-seventh measure has a single note. The sixty-eighth measure has a single note. The sixty-ninth measure has a single note. The seventieth measure has a single note. The seventy-first measure has a single note. The seventy-second measure has a single note. The seventy-third measure has a single note. The seventy-fourth measure has a single note. The seventy-fifth measure has a single note. The seventy-sixth measure has a single note. The seventy-seventh measure has a single note. The seventy-eighth measure has a single note. The seventy-ninth measure has a single note. The eightieth measure has a single note. The eighty-first measure has a single note. The eighty-second measure has a single note. The eighty-third measure has a single note. The eighty-fourth measure has a single note. The eighty-fifth measure has a single note. The eighty-sixth measure has a single note. The eighty-seventh measure has a single note. The eighty-eighth measure has a single note. The eighty-ninth measure has a single note. The ninetieth measure has a single note. The ninety-first measure has a single note. The ninety-second measure has a single note. The ninety-third measure has a single note. The ninety-fourth measure has a single note. The ninety-fifth measure has a single note. The ninety-sixth measure has a single note. The ninety-seventh measure has a single note. The ninety-eighth measure has a single note. The ninety-ninth measure has a single note. The hundredth measure has a single note.

ps. rob. s. Je

de us dilexit mūdu

A musical score on a five-line staff. The notes are represented by black rectangular blocks of varying heights and positions. The notes are distributed across the staff, with some appearing on the top line, some in the middle, and some on the bottom line. The notes are not connected by stems, suggesting a specific musical notation style.
